## **The Oak Tree Country Club Pool is open!**

Located in the heart of Bear Valley Springs is a great place to cool off. Our 25 yard pool is a happening place all year long. We have an assortment of activities for all ages throughout the summer. From Memorial Day weekend till Labor Day weekend the pool is fully staffed with lifeguards at every corner! Our American Red Cross lifeguards keep our pool maintained and members and guests safe all summer long. Aerobics, swim lessons and open swim all occur in our heated pool throughout the summer! Lap swim and swim team run year round!

We also have a heated wading pool for the little ones during those hot summer months! This Baby Pool was replastered in preparation for the 2016 Pool Opening and will be open after the inspection has been completed. When it opens we recommend you put your babies and toddlers in water shoes because the fresh finish may be abrasive to their feet.

Below is a pool schedule for the season.  
We look forward to seeing you this summer!  
Bring your amenity card or guest passes to the check in window!
