

## **Equine Vaccination Requirements for Campground**

Campground Processing for Equines upon Arrival:

Required Vaccinations: VEWT (4-way), Flu-Rhino

Documentation may be in one of the following forms:

1. Letterhead from your Veterinarian listing dates and types of vaccinations administered for each horse.
2. Personal letterhead stating dates and types of vaccination administered for each horse.  
A copy of receipt of purchased vaccines would be appreciated if administered by the owner.
