

BVSA Youth Swim Participant Code of Conduct

The staff of the BVSA pool hopes to make the swim league a great experience for the coaches, players, and parents alike. We want to maintain a safe and fair atmosphere, which in turn promotes teamwork, fair play, cooperation, sportsmanship, and respect for others. We encourage all to have a fun time during their participation while preserving a healthy spirit towards the sport and participants. BVSA pool also emphasizes this league was set forth to build fundamentals and knowledge of the sport, in order to set a foundation for the child in future sport endeavors. Our philosophy is straightforward: Everyone participates, everyone succeeds. We request (in our effort to provide a satisfying experience) that all players, spectators, referees, and coaches commit to these ideals accordingly. Every action, behavior, and choice a participant commits should be considered in order to better the league and the community. Please, join our mission in making the Bear Valley Springs swim team a fun and rewarding program.

I hereby pledge to provide positive support, care, and encouragement for my teammate while participating in the swim team program of BVSA by following this Code of Conduct:

I will encourage good sportsmanship by demonstrating positive support for all participants, coaches, and officials.

I will do my best to make this program fun for myself and my team.

I will keep winning in perspective and understand that not all matches will have the same outcome.

I will treat other participants, parents, and spectators with respect; regardless of race, age, sex, creed, or ability.

I will treat officials and coaches with respect. They are there to provide the swim participants with a safe and healthy learning environment. Officials and coaches deserve the same type of environment from the participants, parents, and spectators.

I will strive to be a good role model for myself and the other children in the program.

I will encourage myself and my team to learn to lose with dignity and win with grace.

I will respect my coach and do my best to arrive at all practices and meets on time.

I will recognize the importance of volunteers and coaches.

I realize they are important to the development of my abilities and the program.

I will communicate with them and support their decisions.

I will keep my hands to myself at all times and treat others the way I wish to be treated: fairly & respectfully.
